Andrew Speed, Minehead

YOUR CURRENT ACCOUNTS SOFTWARE PROBLEMS?

- ✗ Generic reports with limited use for my agricultural business
- ✗ Contra invoicing is confusing and long winded. No agri-specific terms
- ✗ Dodgy signal means I can't always access my accounts
- ✗ I don't quite trust what is happening to my data
- ✗ These monthly fees keep rising and are adding up now the 'special offer' is over!
- ✗ Whenever I have a problem there is no phone number to call!
